

# Rachel C. Green

Rachel C. Green is a resident of Deptford Township, New Jersey for over 40 years and resides there with her husband Franklin Green. Rachel is honored to be the mother of two fabulous children: Alexandra and Alston. For several years Rachel has been the architect along with her fellow school board members, administration and district staff of many wonderful programs and savings for the Deptford Township School District and the community.

Rachel holds a bachelor's degree in Business Management, a post graduate degree master's Public in Administration and currently pursuing her Doctoral Degree in Management of Organizational Leadership. Rachel has served and advocated for the educational needs, civil rights, and social justice of the children in the municipality and the community for many years. The following are just a few of the many boards, committees and awards she has received and served on over the years for the community.
